

MediBridge

RBP Repricing Network Replacement

(can agree to multi-year agreements up to 3 years)

Full Network Replacement *: \$24.00 PEPM, which includes the following services:

(Plans with 60 or less employees pay a flat monthly rate of \$1,440)

- Facility repricing as a Medicare multiple and/or other benchmarks
- Physician repricing as a Medicare multiple and/or other benchmarks
- Includes Transplant, Specialty Care Network and Cost Containment Suite of Services
- Plan design consulting
- Patient Advocacy support, education, and provider communication
- Facility and Physician access support
- Appeal support
- Prospective single case contracting or negotiation as needed for provider access issues
- Retrospective disputed claim contracting or negotiations with provider signoff as needed
- Assistance with direct plan-to-provider contracting for future patient access and reimbursement. 6 Degrees can provide future repricing support for direct contracts at a PEPM charge, depending on the complexity of the contract and required repricing support
- Licensed access to MediVI for TPA, Medical Management and Plan
- Under the standard MediBridge model, legal expenses are not covered. However, 6 Degrees Health can help source and manage counsel for balance billing cases and/or patient credit harm. MediShield can be added (see fee schedule below)
- *Additional \$1 PEPM will be charged for TPA's who utilize 6 Degrees Health Payer ID
- **Percent of billed charges fee schedule available upon request instead of PEPM

Facility Only RBP: \$16.00 PEPM:

(Plan with 60 or less employees pay a flat monthly rate of \$960)

- Facility repricing as a Medicare multiple and/or other benchmarks
- Full support on facility claims as outlined under Full Network Repricing
- **Percent of billed charges fee schedule available upon request instead of PEPM

Physician OON Repricing Add-On: 15% of Savings (\$4 PEPM also available with a minimum monthly fee of \$240)

- Supplement your Physician PPO when utilized alongside 6 Degrees Facility RBP solution
- Full support on 6 Degrees repriced claims as outlined under Full Network Repricing

Additional Add On

Cash Prepay: For plans using 6 Degrees Health RBP

- Negotiated Cash Prepayment only pricing
- Transaction Fees are based on the negotiated cash rate for provider services:
 - If service price is less or equal to \$3,000, the Fee is \$250 per instance.
 - If the service price is between \$3,000.01 and \$7,000, the Fee is \$700.
 - If the service price is between \$7,000.01 and \$25,000, the Fee is \$1,850.
 - If the service price is greater than \$25,000, the Fee is \$3,750.

Run-in claim support:

- Negotiating Existing Balance Bills: \$500 per claim for any Balance Bill less than \$3,500. Balance Bills \$3,500 or above are 15% of savings.
- Repricing Claims Incurred Before Contract: 15% of savings per claim

Legal Defense Options: For plans using 6 Degrees Health RBP

- **PHIA Defender:** \$1 PEPM
 - Covers all litigation attorney fees for scenarios. Also covers pre-litigation attorney fees where balance bill in dispute is over \$10,000 and has been transferred to a 3rd party collection agent.
- **MediShield:** \$10 PEPM (*Plans with 60 or less employees pay a flat monthly rate of \$600*)
 - Includes PHIA Defender and
 - Eliminates the balance bill threshold on facility claims and lowers it to \$2,500 for physician claims.
